12. Additional comments/suggestions:

I really appreciated how Mohsen went to extra lengths to be in touch, review our work, and be available via office hours. Sometimes his formatting advice was not the same as APA examples, which was confusing. All in all, good TA experience!

12. Additional comments/suggestions:

Many of the initial workshops (especially the one that overviewed how to use Google Scholar) would have been much more helpfully delivered on a 2-page handout, & that time would have been much better spent reviewing statistics basics/advanced

Mohsen. Thank you, Mohsen. Otherwise, fantastic. Thank you, Mohsen. concepts following PSYC 10.
